VERSE:

Em **D** **G**

CHORUS:

Asus4 **A** **A7**

RIFF:

D **D6** **Dmaj7**

INTRO (Main Riff 4 times)

Em **D**
Come a little bit closer, hear what I have to say

Em **D**
Just like children sleepin' we could dream this night away.

G **D**
But there's a full moon rising, let's go dancing in the light.

G **D**
We know where the music's playing, let's go out and feel the night.

CHORUS: **Asus4** **A** **Asus4**
Because I'm still in love with you, I wanna see you dance again,

A **A7** **D** **(Main Riff x4)**
because I'm still in love with you, on this harvest moon.

Em **D**
When we were strangers, I watched you from afar

Em **D**
When we were lovers, I loved you with all my heart

G **D**
But now it's gettin' late, and the moon is climbin' high

G **D**
I want to celebrate, see it shinin' in your eye
