

HOLD EACH OTHER UP © Cathy Fink (version 4-20-2020)

Intro: C G C (last line of chorus)

C F C

Chorus 1 We're gonna hold each other up, gonna lift each other high

G

Gonna love each other better than before

C C7 F C

This old world will keep on turning and our hearts will keep on yearning

G C

For each other when the world is so unsure.

Am F C

V1. We've seen troubles in the past; some gone by and some that last

G

And there's one thing that can help us all get by.

C C7 F

If we listen to our hearts, each new day's a brand-new start.

C G C

We can love each other better if we try.

C F C

Chorus 2 : We're gonna hold each other up, gonna lift each other high

G

Gonna love each other better than before

C C7 F C

This old world will keep on turning and our hearts will keep on yearning

G C

For each other when the world is so unsure.

Chorus 3 Instrumental chorus 4

Am F C

V2. We have time to be kind; it's a time to remind

G

That deep down our differences are few

C C7 F

And as every minute weighs, turning worries into days

C G C

We believe that our love will bring us through

C

F

C

Chorus 5: We're gonna hold each other up, gonna lift each other high

G

Gonna love each other better than before

C

C7

F

C

This old world will keep on turning and our hearts will keep on yearning
