Weight of the World Peggy Ness (with timing dots and measure marks)

(version 4-9-2020.) Ukulele Chords (GCEA tuning): C: 0003 F: 2010 G: 0232
..... Gsus4: 0233 (play G with pinkie on 0003- this is an optional chord – G works fine)

I sing C . . . I C . . . I . . . I F . . I C .
When the weight of the world gets heavy

. I F . . I C . . I G . . I
And trouble rolls in like the tide

. . . . I C . . . I C . . . I F . . I C .
May we stand up and help each other

. I F . . . I Gsus4 . G I C . .

Find comfort where love abides

(add 1 measure between verses for sequential zoom share)

Same song, maybe easy for you to follow:

Weight of the World (without timing dots and measure marks)

C F C
When the weight of the world gets heavy

F C G
And trouble rolls in like the tide

C F C
May we stand up & help each other

F G (or Gsus4) G C
Find comfort where love abides
