We couldn't let each other go if we tried

F **C** **Bb**

CH: *We gather round when we can*

Bb **C** **F**

And we let ourselves be true

F **C** **Bb**

Doesn't matter how the years go by

Bb **C** **F**

That old feeling always comes through

Bb **F**

V2. Familiar jokes and smiles we know

Bb **C**

And those old stories that feel like home

Bb **Dm**

Lights dim low and spirits high

F **C** **F**

This is worth more than anything I could buy

CH

Bb **F**

V3. When the night is winding down

Bb **C**

And there's a little more silence in the sound

Oh, we start to wonder how long will it be

Till we find ourselves back in this company
